**Subject: Grant of One and half -Month Summer Vacation Leave to Teaching Staff**

Respected Sir,

It is respectfully submitted that at present there is no active batch of BAMS First Professional students in the institution. Consequently, the regular academic teaching activities pertaining to the First Professional course are not being conducted during this period.

In view of the above circumstances and considering the reduced academic workload, it is proposed that all teaching staff members of the institution be granted Summer Vacation Leave for a period of one and half month from **08/06/2026 to 21/07/2026**. This leave period will facilitate faculty members in availing their annual vacation while ensuring that administrative, regulatory, and essential institutional duties are managed as required.

The teaching staff shall remain available for any urgent institutional work, inspections, meetings, admissions-related activities, or any directions issued by the management during the vacation period. Normal academic activities shall resume immediately upon commencement of the next academic session or as directed by the competent authority.

Therefore, approval is kindly requested for granting one and half month Summer Vacation Leave to all teaching staff members of the institution during the above-mentioned period.

Kindly accord necessary approval.

Thanking you

*AKG*  
Yours faithfully,
